IBM CLOUD DASHBOARD

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's name (Hema sri Penumarthi's ...). The main content area is titled "Dashboard" and features a "For you" section with several tiles: "Build" (purple), "Explore IBM Cloud Shell" (2 min), "Get Started with the CLI" (10 min), "Set up your IBM Cloud account" (10 min), "Create and deploy an application" (5 min), and "Log out" (1 min). Below this, there are four more tiles: "News" (with links to IBM Cloud Satellite New Pricing, IBM Cloud Data Shield Deprecation, IBM Watson Orchestrate Is Integrating with ThisWay Global, and SLSA Support in IBM Cloud Continuous Delivery), "Recent support cases", "Planned maintenance", and "IBM Cloud status". The right sidebar shows the user's profile (Hema sri Penumarthi) with links for Profile, Log in to CLI and API, Privacy, Change theme, and Log out. The bottom of the dashboard shows a weather widget (30°C, Mostly sunny) and a taskbar with various application icons.
